

PRODUCT DATA SHEET

British General 822UAC12-01

BG Nexus 800 Series, 13A Double Switched Socket with USB A + C 12W

Manufacturer: Luceco plc

GTIN: 5050765244008

Family: Wiring Devices

Range: White Moulded 800 Series

DESCRIPTION

This Nexus 800 series white moulded 13A double socket from British General comes with 1 type A USB charging port and 1 type C USB port allowing you to plug in an electrical device and charge mobile devices simultaneously without having to sacrifice a power socket. Its moulded white front-plate has a high resistance to fading, discolouration and scratches, with inherent anti-microbial properties proven to reduce bacterial development and inhibit the growth of infectious diseases. With its rounded edge finish, this will seamlessly fit with any style or décor in your home, and fits a 25mm backbox, ideal for retro-fit.

- Free your sockets and charge all your devices - Ideal for mobile phones, MP3's and other USB chargeable devices
- 12W USB charging output with charge shared across two outlets - 1 x Type A, 1 x Type C
- Smart USB - Standby mode when device is fully charged; AutoDetect's the USB device and adjusts charging pattern to suit; protective overload function
- Angled colour coded terminals for easy identification and captive screws to prevent screw loss
- Twin earth fitted as standard for high integrity circuits
- Produced in white moulded urea material with inherent antimicrobial properties
- Screw cover caps for a sleek appearance
- Minimum mounting box depth 25mm - ideal for retro-fit
- Minimum mounting box depth 25mm - ideal for retro-fit
