

PRODUCT DATA SHEET

British General WP21-02

BG Nexus Storm, 13A Single Switched Socket, IP66

Manufacturer: Luceco plc

GTIN: 5050765022170

Family: Wiring Devices

Range: Nexus Storm Weatherproof

DESCRIPTION

Outdoor sockets are an ideal option for managing outdoor or garden appliances, and can be installed in gardens and patios, as well as in shed's, outhouses and garages. This 13A single switched outdoor power socket is IP66 Rated and designed to protect against water and dust ingress in the most arduous of conditions. Certified to BS1363/EV, this socket is also suitable for use with Mode 2 EV charging cables. Made with a robust, high impact UV stable housing, multiple gland entry positions, quick wire entry, and an ergonomic design, this socket also has an LED indicator that can be seen through the hinged see-through cover which acts as an enclosure for the socket.

- Weather and dust protection - IP66 (with cover closed)
- Fast fix - no separate screws, no screw covers, 150° rotation
- Robust and high impact outdoor power socket, for safe electricity supply outdoors
- Patented cable entry - prevents accidental opening
- LED power indicators mean the power status is visible even when the cover is down.
- Multiple knockouts for versatility when installing - 5 x 20mm
- Angled in-line colour coded terminals with captive screws provide easy access for quick installation
- Suitable for use with Mode 2 EV charging cables - certified to BS1363/EV
- Twin earth fitted as standard for high integrity circuits
- Large open/closer paddles for easier operation

TECHNICAL SPECIFICATION

ETIM Class: Socket outlet (EC000125)

Primary Features

Colour	Grey	Nominal current (A)	13
Degree of protection (IP rating)	IP66	Nominal voltage (V)	220
Depth of device (mm)	85	Width of device (mm)	115
Height of device (mm)	156		

Additional Features

Impact resistance (IK rating) IK06
