## British General NBSBTM1-01

### BG Nexus Metal Brushed Steel, Single Master Telephone Socket, Screw Type

Manufacturer: Luceco plc

GTIN: 5050765019071

Family: Wiring Devices

Range: Nexus Metal

## DESCRIPTION

This master telephone socket from British General uses a screw terminal connection and should be used where your telephone line enters your property. This is the best place to connect your router as it's where you're most likely to get the best performance and fastest speeds for your broadband. If you have more than one socket, the master socket is the one that will feed any extension sockets. This socket has a brushed steel finish with anti-fingerprint lacquer and a sleek and slim profile, with softly rounded edges to add a touch of luxury to your décor.

- Screw terminal connection
- Easy to install, supplied with fixing screws and installation instructions
- Used for the main telephone socket
- Sleek and slim premium metal with softly rounded edges
- Moisture control gasket, prevents tarnishing from new plaster
- Sleek and slim premium metal with softly rounded edges
- Anti-fingerprint lacquer reduces unsightly fingerprints
- Supplied as a kit of Euro module components
- Minimum mounting box depth 35mm

## TECHNICAL SPECIFICATION

**ETIM Class: Modular coupler (EC001134)**
