

PRODUCT DATA SHEET

British General 767-01

BG Enclosed Angled Batten Holder 2 Terminal, Earth in Base, PVC Tails & HO Skirt

Manufacturer: Luceco plc

GTIN: 5021166767007

Family: Wiring Devices

Range: Ceiling & Lighting Accessories

DESCRIPTION

This T2 rated enclosed and angled batten holder from British General has a high quality satin finish and is designed for use with B22 Bayonet cap light bulbs. Supplied with heat resistant wire this batten holder is durable, reliable and easy to install. The wiring aperture in the base has an extra knockout for ease of wiring, and alternative fixing holes for off centre mounting. The base can be removed without removing the HO skirt, and incorporates L, N and Loop-in terminals with 8 individual cable entries and captive screws. The HO skirt is ideal for use in bathrooms and other rooms where moisture is present as it prevents the metal cap of the lamp being touched in damp situations.

- Easy to install, supplied with fixing screws and installation instructions
- Wiring aperture in base with extra knockout for ease of wiring
- Base incorporates L, N and Loop-in terminals with 8 individual cable entries
- large capacity Earth terminal with locking terminal screw.
- Wired with heat resistant wire
- Base cover can be removed without removing HO skirt
- Captive screws prevent screw loss
- 3 Terminal, T2 rated
- HO skirt ideal for use in damp rooms such as bathrooms and kitchens as it prevents the metal cap of the lamp being touched in damp situations
- For B22 bayonet cap lamps
