## UNICRIMP QFC7

### Qcrimp Grey Cable Clips for 10-16mm<sup>2</sup> T&E Cable

Manufacturer: Scolmore Group

GTIN: 5055287044402

Family: Cable Clips

Range: T&E Cable

## DESCRIPTION

Cable Clips are made from high grade Polyethylene for low temperature flexibility. All clips have thicker than standard steel nails preventing snapping and minimising the chance of bending. The nails are extra-long to increase the pull out rating. The clips have self-grip design technology for quicker installation time.

- Made from high grade Polyethylene for low temperature flexibility
- Thicker and longer than standard steel nails
- Quicker installation time

## TECHNICAL SPECIFICATION

**ETIM Class: Nail-in cable clip (EC000363)**

### Primary Features

|          |         |       |             |
|----------|---------|-------|-------------|
| Colour   | Grey    | Shape | Rectangular |
| Material | Plastic |       |             |

## Additional Features

|                     |                   |                    |           |
|---------------------|-------------------|--------------------|-----------|
| Double model        | No                | Nail length (mm)   | 30        |
| Hardened steel nail | No                | Surface protection | Untreated |
| Height opening (mm) | 9.4               | Transparent        | No        |
| Material qualifier  | Polyethylene (PE) | Width opening (mm) | 16.7      |
| Nail diameter (mm)  | 2.5               | With nail          | No        |
