

PRODUCT DATA SHEET

WAGO 221-415

WAGO 221 Compact 5-Ways Splicing Connector 4mm (Pack of 40)

Manufacturer: WAGO

GTIN: 4055143234658

Family: INSTALLER

Range: 221 Series

DESCRIPTION

Compact lever splicing connector for all conductor types up to 4mm². Connects solid, stranded and fine stranded conductors in any combination 50% faster, safer and without the need for tools. The transparent housing allows visual inspection the conductors have been inserted correctly and test slots front and back make circuit testing easy.

- Maintenance Free, 32A 450V, Suitable for all conductor types, 50% faster than screws
- Suitable for cables 0.14 to 4mm²
- Connect solid, stranded and fine-stranded conductors, save time for installers and device manufacturers
- Transparent housing for visual inspection shows that the wire is inserted properly and stripped to the correct length

TECHNICAL SPECIFICATION

ETIM Class: Push in terminal (EC000446)

Primary Features

Colour

Colourless

Nominal current (A)

32

Additional Features

Conductor cross section flexible
(fine-strand) with cable end sleeve
(mm²) 0.14 - 4

Suitable for flexible core Yes

Conductor cross section solid
(solid, stranded) (mm²)

0.2 - 4

Suitable for multi-wire core

Yes

Nominal voltage (V)

450

Transparent

Yes
