Hispec Niagara Internal Remote Photocell

Manufacturer: Hispec Electrical Products Ltd

GTIN: 5060144132369

Family: Lighting

Range: Lighting Controls

DESCRIPTION

Optimise your lighting efficiency with the Niagara Internal Remote Photocell. This versatile remote-controlled photocell automatically adjusts lighting based on ambient light levels, making it ideal for energy-saving applications in both residential and commercial environments.

- **Automatic Light Adjustment:** Utilises advanced photocell technology to detect changes in ambient light, automatically turning lights on at dusk and off at dawn, or when natural light levels are sufficient.
- **Energy Efficient:** Helps reduce electricity usage by ensuring lights are only active when needed, leading to lower energy bills and a more sustainable lighting solution.
- **Remote Control Capability:** Features remote control functionality for easy adjustment and configuration of settings, allowing you to tailor light sensitivity and operation to suit different environments.
- **Versatile Applications:** Suitable for a wide range of settings, including residential areas, commercial buildings, outdoor pathways, car parks, and public spaces.
- **Easy Installation:** Designed for straightforward integration into existing lighting systems, making it an ideal upgrade for improving the efficiency of your lighting setup.
- **Reliable Performance:** Built with high-quality components to ensure consistent operation and long-term reliability, even in varying environmental conditions.
- **Compact Design:** The internal photocell is discreet and blends seamlessly into the environment, providing efficient lighting control without compromising aesthetics.
- **Enhanced Safety and Security:** Ensures areas remain well-lit during low-light conditions, improving visibility and safety for occupants and deterring potential intruders.

TECHNICAL SPECIFICATION

ETIM Class: Electrical accessories for luminaires (EC002556)

Primary Features

Type of accessory/spare part Twilight sensor

Additional Features

Accessory	Yes	Spare part	No
Colour	White
